Summer 2017

Farewells and introductions

It seems very little time since Robert McGregor was elected to chair HARA. Sadly Robert recently left the village and has reluctantly had to give up the role. We would like to thank him for all of his hard work over the years to make Hatton a better place to live.

HARA's work is rarely 'heralded' and some may see it solely as guardian of the Tool Library. However it is much more. Since the beginning of 2016 we have secured over £25,000 to fund the recent purchase and installation of play park equipment, obtained an agreement from BEAR (Scotland) to re-consider speed restrictions on the A90, organised litter picks, installed a defibrillator, organising training for more than two dozen people and 'encouraged' Aberdeenshire Council to resolve major surface water flooding issues on Main Street, to name but a few.

I was elected at the AGM to follow in Robert's footsteps. I have lived in the village for more than 25 years. Originally from Bradford, I moved to Aberdeenshire in 1982 to research a PhD on the ecology of bats. I moved into teaching, serving as Principal Teacher of Biology first at Fraserburgh and then at Turriff Academy. Sadly being affected with chronic arthritis I had to take early retirement. I now work with adults that have learning difficulties.

I hope to continue the good work of HARA and would encourage you to get involved, even if this is just through informal contact, to suggest improvements to the village. Or you might want to attend one of the Open Meetings.

(Dr) Philip Neville
Chair of HARA

CELEBRATING 20 YEARS OF HARA

More than two dozen people accepted the open invitation to the village and joined members of the HARA committee at the Hall on Saturday 13 May, to celebrate twenty years of HARA.. Thanks to Anne Webster and Di Steyn for the bakes, cakes and refreshments and of course to Lynn Smith for her delicious sandwiches, all of which were thoroughly enjoyed.

On display were numerous photographs from bygone years, houses, people and other images of village life. Additionally a series of maps dating from the early 1800's to the present day illustrated how the village has grown and changed. A 3-D model originating from the 'Planning for Real' event in 2008 aided to the visual conception of changes that have occurred more recently.

More recent photographs reflected the work of HARA but also included the effects of the December 2012 floods. Old newsletters and HARA minutes were also available spanning the twenty years since the residents' association was formed.

Surprisingly there were some who still thought that HARA only reflected the views and interests of council residents. So it may be time to state again, particularly to recent residents, that HARA is a body that aims to represent all individuals, both within the village and the immediate surrounding area, irrespective of residency type. So do please get in touch, or indeed volunteer to join the committee if there is something you feel strongly about that will help to improve Hatton as a place to live.

This event will run again in the Autumn. If you have any old photographs, newspaper cuttings or other original information relating to the village and its environs that you would be willing to share please do get in touch. We will scan your originals and return them quickly. We'll only use the scanned images for any display.

Chairperson's Report the the AGM

Well, a year certainly passes by quickly and no less slowly for writing a clichéd sentence like that! So HARA is now 20 years old. Some of our Committee have been here since the start and it is right to acknowledge with thanks what they have achieved over that time and to salute their indefatigability in keeping going for so long.

This was my first year as Chairperson and, sadly my last as I have now departed the village. I already miss it very much! The year has brought the usual demands on HARA although it has been difficult to move some things forward due to the other demands on committee members. Time again..... Nevertheless we have made progress in some areas.

The highlight achievement of the year for me was to see new play equipment installed in the park. This is the end point of three plus years of discussion and hard work and hopefully just the start of a rejuvenation of the play facilities. Thanks to the Landscape Services Department at Aberdeenshire Council for managing the installation. They also provided the new benches for the park.

Otherwise the work of HARA rolls on, representing issues and interests of the village, maintaining and managing the ever popular Tool Library.

Special thanks must go to Fred Coutts who is so committed in producing the HARA newsletter every quarter, chivvying me and others to make sure we get our copy in on time and that a very high quality and valuable resource is available to every household in the village.

Allied to that is the growing popularity (notoriety?) of the HARA Facebook page which provides a useful instantaneous forum for queries, issues and advertising local events. Thanks to those who mediate and moderate and inform the forum.

The spring Litter Pick was well attended by hardy souls who make a tangible and visible difference to the village.

It is good to see the Mill reopen again and to note how busy the

Public Hall is with activities. Last year's Gala was the busiest and biggest yet and the Pantomime sold out. All in all, when you reflect on what the village has and achieves, it really is a good place to live and work.

My thanks must go to my fellow committee members who have worked so hard in the past year and my apologies for moving out of the village and leaving them in the lurch. I will really miss their dedication, hard work and friendship and hope that new folk will come forward to keep HARA alive. It really is worth it and you can make a real difference in the village.

HAPPY PAWS
of Hatton

A group of canine lovers in the village continue to create a space for dogs to play in safely – it's taking slightly longer than we had hoped! We also launched the Green Dog Walkers scheme at our last meeting.

The poop bag in a bottle has been a success and we hope it continues – we are looking into ways of making the dispensing of the bags easier for folk.

Any ideas and suggestions are most welcome. E-mail happypawsofhatton@gmail.com Keep your eyes peeled for posters and information of upcoming events and meetings.

Do you know of anyone outwith the Village who would like a copy of the newsletter? Additional copies can be collected from The Hatton Shop or E-mail info@haraonline.org.uk

What a wonderful way to celebrate EARTH DAY

In between the showers on Saturday 22 April, thirteen volunteers filled over two dozen black bin bags of assorted rubbish at the latest HARA litter pick.

Clearing the streets and communal areas of paper, cardboard, plastic and glass it was disappointing to find so many dog poo bags (filled) that people could not manage to place in a bin, or take home to dispose of.

A particular 'hot spot' was the area behind the BT junction boxes on the corner of Manse Road/Main Street. If the perpetrator(s) are thinking that fairies were at play in removing them, then sadly rather like Sir Arthur Conan Doyle, they are a little deluded. It was just your neighbours.

On a serious point though, HARA will look at the availability of litter bins in the village with a view to contacting Aberdeenshire Council to see if more can be provided at specific points.

We're sure that all of the volunteers would express gratitude to Anne Webster and Di Steyn for providing warming bowls of hearty soup before folk set out and carrot cake and double choc chip cookies on their return.

Thank you the litter pickers:

Philip Neville, Glynis Neville, Su Olmstead, Danny Olmstead, Dani Steyn, Fred Coutts, Iris Watt, Torin Watt, Cara Watt, Hannah Dixon, Niall Watt, Donald Sandilands and Anne Webster.

Lucie is to lose her hair!

My name is Lucie Fraser and I am your average 16 year old. You may know me as the local morning papergirl, on stage playing a part in Hatton Panto or you might have just seen me around Hatton.

I have decided to shave all of my hair off in order to raise money for two cancer charities; Macmillan Cancer Support and Cancer Research UK. I will be giving my hair to the Little Princess Trust who make wigs for children who have lost their hair during their treatment.

I would really appreciate your support for this event. Please visit this link <https://mydonatebt.com/fundraisers/luciesheadshave> and give anything you can! The website explains a little more about me and why I am shaving my head.

There will also be a sponsorship form in the Hatton shop for anyone who is unable to donate online.

The event will be taking place on the 11 July.

Thank you for your support,

Lucie.

Recycling update

Graeme Fyvie, the Community Waste Officer for Buchan joined us at the AGM of HARA and gave us an update of how the blue lidded recycling bins are working. They are being used well, but we need to recycle more! However, there seems to be confusion as in to what can and cannot be put in our blue bins – so here is a wee list!

Remember - reduce, reuse, recycle!

I come to you at your home or work.

My van is fitted with a full tyre changing system and balancer and able to take a wheel size up to 22". Why pay more for your tyres than you should.

Many people like to buy tyres online and when they try to get them fitted it costs around £20 a tyre. **Sure Stop** will only charge you a £10 call out fee (Not in Hatton) and will only charge £10 a wheel fitting and balanced.

Brakes price will depend on which type of work you require, whether it be full brake change (Discs and Pads or just Pads)

Another busy year comes to a close as we now take the summer off. We will restart on the second Tuesday of September.

Looking back on our recent session, some of the highlights were : Making Mrs Betty Morris our Honorary President, at an afternoon tea in July – Betty has nearly 30 years as a committee post holder and many more as a regular member. She has given valued support and shared her knowledge with many members, especially the “new girls”.

We also had a trip down memory lane at the Aden Country Farm Museum followed by a fly cup at the café.

The Aberdeen Federation Show was in Inverurie on 6 May. The theme was *Blue and Gold* to celebrate the centenary year of the Rural. We had a number of entries and one of our members came joint first in the Housewives section – her decorated cupcakes coming first, made her day.

Our syllabus for the year was varied and we managed to learn a few things along the way too. Over the summer we will all (hopefully!) be busy making items for the Peterhead Group Show - the Whitehill, Cup that is in October. We look forward to welcoming new members to the group in September – come along, it’s a fun night out.

Belhelvie Young Farmers Are Here To Help!

The North Region of SAYFC (Scottish Association of Young Farmer Clubs) is taking part in a campaign this year to engage with local community groups. We are asking local communities to *Challenge Us*, Belhelvie Young Farmers.

Challenges could range from weeding a community garden / helping at a fundraiser / stewarding a show car park etc – The list is endless.

We will be accepting challenges throughout the summer!

As an organisation, we feel very strongly about being an active part of the local community and this is why we are coming forward to volunteer our time to help.
